

# Housing co-ops and mainstream affordability

- **Building on our base and skills**
  - Existing diversity and expertise of housing co-ops in Australia; various price points & tenures
- **What co-ops can offer**
  - Longevity of tenure; affordable housing option that is a destination rather than a transition
- **Possible future**
  - The sweet spot of ‘embedded autonomy’
  - Ecosystem of aligned trades and sectors
  - Viable third sector as best practice exemplar
